Intro:
Everything you do, you're my everything
Everything you do, I put that on everything
Everything you do, everything, Everything you doChorus:
When it come to you, I swear that you're my everything
I got you, I put that on everything
Chanel, Prada, new designer everything
We got it all, your loyalty is my everythingVerse 1:
Deuces to all my haters, Got chips like I'm in Vegas
Shorty over there watchin', But sorry this house ain't vacant
Just speakin' of them haters, Just took a trip to Jamaica
Sand as white as some paper, No shopping, everything catered
We're in the sky, we ain't on the ground, no
I'm in my G5 lookin' down, oh
Me and my baby, we're in paradise
Ain't trippin' off nobody, we livin' life
Me and my baby, we're in paradise
Ain't trippin' off nobody, we livin' lifePre-chorus:
See I love everything, love everything, love everything you do
They're wishin' they could see the world from our point of view
Love everything you say, love everyway that you move
Love everything, love everything, love everything about youChorus
