

East Jesus Nowhere

Green Day

Raise your hands now to testify
Your confession will be crucified
You're a sacrificial suicide
Like a dog that's been sodomized
Stand up! All the white boys
Sit down! And the black girls
You're the soldiers of the new world
Put your faith in a miracle
And it's non-denominational
Join the choir we will be singing
In the church of wishful thinking
A fire burns today
Of blasphemy and genocide
The sirens of decay
Will infiltrate the faith fanatics
Oh bless me Lord for I have sinned
It's been a lifetime since I last confessed
I threw my crutches in "the river of a shadow of doubt"
And I'll be dressed up in my Sunday best
Say a prayer for the family
Drop a coin for humanity
Ain't this uniform so flattering?
I never asked you a god damned thing
A fire burns today
Of blasphemy and genocide
The sirens of decay
Will infiltrate the faith fanatics
Don't test me
Second guess me
Protest me
You will disappear
I want to know who's allowed to breed
All the dogs who never learned to read
Missionary politicians
And the cops of a new religion
A fire burns today
Of blasphemy and genocide
The sirens of decay
Will infiltrate the inside
Yeah
