Only Our Skin

Lamb

Hold me gently
Hold me strong
And make it last for ever
We have waited
Far too long
To be this way togetherYou my lover
You my friend
Finally fate has seen us
We could stay here
'Til the end
With only our skin between us
Here my angel
Here my sweet
These arms were made to frame you
Heaven meant
For us to meet
And all my dreams became you
You my lover
You my friend
Finally fate has seen us
We could stay here
'Til the end
With only our skin between us
