Demons

Brian McFadden

Have you ever been lost in a different world?
Where everything you once knew is gone
And you find yourself powerless
With everything that exists, youre numbWill I ever break free?I search my world but I cant find you
Youre standing there but I cant touch you
Try to talk but the words are just not thereI can feel a sense of danger
You stare at me like Im a stranger
Paralyzed and you dont seem to care
The demons in my dreamsIf you become a nobody, blind to your family
Who would you be?
And life has gone into reverse, re-living every hurt
Along the wayEverything that you fear
Is calling you and drawing nearSearch my world but I cant find you
Youre standing there but I cant touch you
I try to talk but the words are just not thereI can feel a sense of danger
You stare at me like Im a stranger
Paralyzed and you dont seem to care
The demons in my dreamsWake me up and lets go, yeah
Im about to explodeI search my world but I cant find you
Youre standing there but I cant touch you
Try to talk but the words are just not thereI can feel a sense of danger
You stare at me like Im a stranger
Paralyzed and you dont seem to care
The demons in my dreams
