Baby I'm Yours (featuring Irfane)

Breakbot

I thought I had it altogether
But I was led astray
The day you walked away
You were the clock
That was ticking in my heart
Changed my state of mind
But love's so hard to findYour feelings change like the weather
Went from clear to grey
On that cloudy day
How can I go on
With that bomb in the palm
Love's so hard to find
When someone's on your mindListen baby
Your wish is my command
Baby won't you understand
That your wish is my command
What can I do to make
My baby understandSomething tells me that I'm dreamin'
