That Mother Fucker

Bobby Bare Jr.

She says If you liked it why dont you call me back?
She said If you liked it why wont you come on back?
'Cuz you can ride for free
And you dont got to worry about me
I cry alone and I whisper when I speakI said I dont want to be
I dont want to be
That mother fuckerI dont want to be
I dont want to be
That mother fuckerWho can make you so blue
You become mean
When the devil needs help
Why does he always call me?She said Be careful what you give me
I might not give it back
Be careful what you give me
You might not get it backThe blame is better to give than it is to get
I can forgive but Ill never ever forgetI said I dont want to be
I dont want to be
That mother fuckerI dont want to be
I dont want to be
That mother fuckerWho can make you so blue
You become mean
When the devil needs help
Why does he always call me?
