No Roads Left

Linkin Park

Standing alone with no direction
How did I fall so far behind?
Why am I searching for perfection
Knowing its something I wont find?In my fear and flaws
I let myself down again
All because I run
'Til the silence splits me open, I run
'Til it puts me underground
'Til I have no breath
And no roads left but oneWhen did I lose my sense of purpose?
Can I regain whats lost inside?
Why do I feel like I deserve this?
Why does my pain look like my pride?In my fear and flaws
I let myself down again
All because I let myself downIn my fear and flaws, I run
'Til the silence splits me open, I run
'Til it puts me underground
'Til I have no breath
And no roads left but one
No roads left but oneIn my fear and flaws
I let myself down again
All because I run
And the silence splits me open, I run
And it puts me underground
But theres no regret
And no roads left to run
