The Troubles (feat. Lykke Li)

U2

Somebody stepped inside your soul
Somebody stepped inside your soul
Little by little they robbed and stole
Till someone else was in controlYou think it's easier
To put your finger on the trouble
When the trouble is you
And you think it's easier
To know your own tricks
Well, it's the hardest thing you'll ever doI have a will for survival
So you can hurt me
And then hurt me some more
I can live with denial
But you're not my troubles anymoreSomebody stepped inside your soul
Somebody stepped inside your soul
Little by little they robbed and stole
Till someone else was in controlSomebody stepped inside your soul
Somebody stepped inside your soul
Little by little they robbed and stole
Till someone else was in controlYou think it's easier
To give up on the trouble
If the trouble is destroying you
And you think it's easier
But before you throw me a rope
It was the one thing I could hold on toI have a will for survival
So you can hurt me
And then hurt me some more
I can live with denial
But you're not my troubles anymoreSomebody stepped inside your soul
Somebody stepped inside your soul
Little by little they robbed and stole
Till someone else was in controlSomebody stepped inside your soul
Somebody stepped inside your soul
Little by little they robbed and stole
Till someone else was in controlGod knows it's not easy
Taking on the shape of someone else's pain
God now you can see me
I'm naked and I'm not afraid
My body's sacred and I'm not ashamedSomebody stepped inside your soul
Somebody stepped inside your soul

Little by little they robbed and stole
Till someone else was in controlSomebody stepped inside your soul
Somebody stepped inside your soul
Little by little they robbed and stole
Till someone else was in control
