

# The Troubles (feat. Lykke Li)

U2

Somebody stepped inside your soul  
Somebody stepped inside your soul  
Little by little they robbed and stole  
Till someone else was in control You think it's easier  
To put your finger on the trouble  
When the trouble is you  
And you think it's easier  
To know your own tricks  
Well, it's the hardest thing you'll ever do I have a will for survival  
So you can hurt me  
And then hurt me some more  
I can live with denial  
But you're not my troubles anymore Somebody stepped inside your soul  
Somebody stepped inside your soul  
Little by little they robbed and stole  
Till someone else was in control Somebody stepped inside your soul  
Somebody stepped inside your soul  
Little by little they robbed and stole  
Till someone else was in control You think it's easier  
To give up on the trouble  
If the trouble is destroying you  
And you think it's easier  
But before you throw me a rope  
It was the one thing I could hold on to I have a will for survival  
So you can hurt me  
And then hurt me some more  
I can live with denial  
But you're not my troubles anymore Somebody stepped inside your soul  
Somebody stepped inside your soul  
Little by little they robbed and stole  
Till someone else was in control Somebody stepped inside your soul  
Somebody stepped inside your soul  
Little by little they robbed and stole  
Till someone else was in control God knows it's not easy  
Taking on the shape of someone else's pain  
God now you can see me  
I'm naked and I'm not afraid  
My body's sacred and I'm not ashamed Somebody stepped inside your soul  
Somebody stepped inside your soul

Little by little they robbed and stole  
Till someone else was in control  
Somebody stepped inside your soul  
Somebody stepped inside your soul  
Little by little they robbed and stole  
Till someone else was in control
