Yeah, whassup, y'all, whassup?
This is Ghostface, straight from Staten Island
You know I don't really mean no harm But it just happens you know
When I step approach a motherfuckin' wack nigga
That tryin' to spit his darts and can't spit 'em
Check it out though, aiyoScientific, my hand kissed it, robotic let's think optimistic
You probably missed it, watch me dolly dick it
Scotty, watty, cop it to me, big microphone hippie
Hit Poughkeepsie crispy chicken, verbs throw up a stone RichieChop the O, sprinkle a lil' snow inside a Optimo
Swing the John McEnroe, rap rock, 'n' roll
Tidy Bowl, gung-ho pro, Starsky with the gumsole
Hit the rump slow, parole kids, live RapunzelBut Ton' stizzy really high, the vivid laser eye guide
Jump in the Harley ride, Clarks I freak a lemon pie
I'm 'bout it, 'bout it, Lord forgive me, Ms Sally shouted
Tracey got shot in the face, my house was overcrowdedYou fake cats done heard it first on how I shitted on
your turf
At times, Cuban Link verse, yo
Check out the rap kingpin, summertime fine jewelry drippin'
Face in the box, I seen your ear twitchin'As soon as I drove off, Cap' came to me with three sawed-offs
Give one to Rae', let's season they broth
Lightning rod fever heaters, knock-kneeder, Sheeba for hiva
Diva got rocked from the receiver bleederPortfolio, lookin' fancy in the pantry
My man got bigger dimes, son, your shit is scampi
Base that, throw what's in your mouth, don't waste that
See Ghost lampin' in the throne with King Tut hat
Straight offYeah, yeah
I just wan't y'all niggaz
Smack all y'all niggaz, niggarettes
Universal death threats, yeah
This be the God Body, yeah, no doubt
Judge WiseAiyo, spiced out Calvin Coolidge, loungin' with 7 duelers
The Great Adventures of Slick, lickin' with 6 rugers
Rock those, big boy Bulotti's out of Woodridge
Porch for the biggest beer, season giraffe ribsRotissiere ropes, hickory scented mint scented glaze
Perfected find truth within self, let's smoke
All hail to my hands, 50 thou' appraisal
Dirty nose with the nasal drip, click flipped on famDancin' with Blanch and them bitches, flickin' goose pictures
Kick down the ace of spades, snatch Jack riches
Olsive compulsive lies flies with my name on it

Dick made the cover now count, how many veins on it
 Scooby snack, Jurassic plastic gas, booby trap
 Ten years workin' for me, you wanna tap shit?
 Bung, bung, bung, your bell went rung, rung, rung
 Staple-Land's where the ambulance don't come
 Yeah, you see what I mean?
 You see what I mean, you motherfuckin' crybabies?
 Get in line punk, you should be studyin' your odds
 Instead of studyin' me
 That's how you lost your first job, punk
 Now, get in line, for you get your lil' thick-ass tossed up
 Shit, I studied under Bruce Lee, nigga
 He was on the fourth, I was on the third
 Pass me a honey-dipped spliff, black mental cause continental drift
 One whiff of Pow, you gets my divine stiff
 Brick rock, late night, hear the tick-tock of my clock
 I used to run up and pick a crab lock
 Hit his stash, dip back, to the Lab, make him flip
 Uptown, boo-doop, now we back on your ass
 Incognito, fatal aikido blow, pop a needle
 Dick a knock-knee hoe, bust out her fetal
 Nine inch long, strong, Bobby pop the bitch thongs
 Spit on her, then I banged on my chest like Kong King
 Merciless Meng, point the killa bee sting
 Ring dings right through your head bing
 Snap the wing off of bats, my battle-axe tongue hacks tracks
 Once the ball drop, I'ma snatch ten jacks
 Pass the crack to a niggarette, puff a looseleaf cigarette
 While your man search the Internet for Bob Digitech
 In Stereo, crazy as Shapiro
 Multiply myself ten times standin' next to zero
 And snap my fingers like the Fonz
 And bag me a golden bronze skinned girl with the honey blonde
 Dip hair, make a nigga flip in his chair
 Had the armpit shaved off perfect with the Nair
 Stomach fat as a pancake for her man's sake
 Used to fuck her when she menstruate
 But it made her hyperventilate
 Brooklyn
 I know, I know, I know, I know
 Queens
 I know, I know, I know, I know
 Shaolin
 I know, I know, I know, I know
 I know, I know, I know, I know, I know
 Bronx
 I know, I know, I know, I know
 Jersey
 I know, I know, I know
 Long Island
 I know, I know, I know, I know
 I know, I know, I know, break it down
