

Bopalena

Guitar Slings

Oops scooby-doo balena go gal go
Bopalena Bopalena
She's my gal
Bopalena Bopalena
She's my gal
She's my gal and I love her so
Oops scooby-doo balena go gal go
School bell's a'ringing
Everybody's going out
Going to the shack gonna shake it all about
Bopalena lookin like a rose from the wild
Man I dig that sweet juvenile
When she gets it going she's a real cool chick
Does the bebop like a pogo stick

Bopalena Bopalena
She's my gal
Bopalena Bopalena
She's my gal
She's my gal and I love her so
Oops scooby-doo balena go gal go

My patent leather boots on my hound dog feet
Me
