

HeropsychoDreamer

Live

I kill you in my dreams
I turn the other cheek durin' the day
I'll kill you allThe subculture of my dreams
Is waitin' for me to fall asleep
I know you're scared, you should be
I know you're scaredHeroThis attic of my mind
These feelings I can't hide, I can't share
I feel alone
Ah yea, ah haThe subconscious keeps me here
I fell in love with a balladeer
I saw your tongue, it licked my heart
They called you queerHero
Dreamer
Hero, heroThey called you queer
They called you queer
They called you queer
They called you queer
