

# The Only Exception

Isa Raja ( edited @FDH zaanndd )

When I was younger, I saw my daddy cry  
And curse at the wind  
He broke his own heart and I watched  
As he tried to reassemble it And my momma swore that  
She would never let herself forget  
And that was the day that I promised  
I'd never sing of love if it does not exist But darling, you are the only exception  
You are the only exception  
You are the only exception  
You are the only exception Maybe I know, somewhere deep in my soul  
That love never lasts  
And we've got to find other ways to make it alone  
Or keep a straight face And I've always lived like this  
Keeping a comfortable distance  
And up until now I had sworn to my self that I'm content with loneliness  
Because none of it was ever worth the risk But you are the only exception  
You are the only exception  
You are the only exception  
You are the only exception I've got a tight grip on reality  
But I can't let go of what's in front of me here  
I know you're leaving in the morning when you wake up  
Leave me with some kind of proof, it's not a dream, oh You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception And I'm on my way to believing  
Oh, and I'm on my way to believing
