

# Road Trippin'

## Red Hot Chili Peppers

Road trippin with my two favorite allies  
Fully loaded we got snacks and supplies

Its time to leave this town

Its time to steal away

Lets go get lost

Anywhere in the u.s.a.

Lets go get lost

Lets go get lost

Blue you sit so pretty

West of the one

Sparkles light with yellow icing

Just a mirror for the sun

Just a mirror for the sun

Just a mirror for the sun

These smiling eyes are just a mirror for

So much as come before those battles lost and won

This life is shining more forever in the sun

Now let us check our heads

And let us check the surf

Staying high and drys

More trouble than its worth

In the sun

Just a mirror for the sun

Just a mirror for the sun

Just a mirror for the sun

These smiling eyes are just a mirror for

In big sur we take some time to linger on

We three hunky dorys got our snakefinger on

Now let us drink the stars

Its time to steal away

Lets go get lost

Right here in the u.s.a

Blue you sit so pretty

West of the one  
Sparkles light with yellow icing  
Just a mirror for the sun  
Just a mirror for the sun  
Just a mirror for the sun

These smiling eyes are just a mirror for  
These smiling eyes are just a mirror for  
Your smiling eyes are just a mirror for
