Don't Break My Fall

Oleander

What can I say
When every word you won't believe anyway?
No promise made
Just means there's nothing wrong today, yeahWhat can I do?
'Cause I could never make things up to you
And we both knew
That if things don't change it'll all be thrown awayDon't break my fall
'Cause things look better from down here
To lose it all
Just means another chance for you to
Gain it back again
And maybe even have a laugh, my friendWhat can I hide
When every feeling's locked down deep inside?
My hands are tied
But I'm hangin' on, I'm hangin' inDon't break my fall
'Cause things look better from down here
To lose it all
Just means another chance for you to
Gain it back again
And maybe even have a laugh, my friendSure do like the sound of it
Sure do like the sound of itDon't break my fall
Don't break myDon't break my fall
'Cause things look better from down here
To lose it all
Just means another chance for you to
Gain it back again
And maybe even have a laugh, my friendDon't break my fall
Don't break my fall
Don't break my fall
Don't break my, don't break my
Don't break my fall
