

# Love Hangover

Jason Derulo

I met her at a bar  
A look she gave you said I wouldn't before  
But that will never stop me  
I like the challenge so I preceded to my speak  
One drink turnin' two drinks  
Three drinks turnin' dancin'  
And pretty soon her body was all upon me  
When I woke up I saw her layin' next to me  
It was just a fling  
But I really don't regret a thing  
'Cause it was crazy, babe  
And by the looks I picture feel the same  
And all I remember is me sayin'  
If you turn me then you can't breathe  
Now I'm smilin' and I'm barely sober  
I'm caught in a love hangover  
Love hangover, love hangover  
Don't you worry, it's fine  
So this will be our little dirty secret for life  
'Cause your man's lose his mind  
If he ever found out last night that  
One drink turnin' two drinks  
Three drinks turnin' dancin'  
And pretty soon her body was all upon me  
When I woke up I saw her layin' next to me  
It was just a fling  
But I really don't regret a thing  
'Cause it was crazy, babe  
And by the looks I picture, feel the same  
And all I remember is me sayin'  
If you turn me then you can't breathe  
Now I'm smilin' and I'm barely sober  
I'm caught in a love hangover  
Now I didn't know  
How far did it go, oh, oh  
But I said I would have her  
Now it's the mornin' after  
It was just a fling  
But I really don't regret a thing  
'Cause it was crazy, babe  
And by the looks I picture, feel the same  
And all I remember is me sayin'  
If you turn me then you can't breathe  
Now I'm smilin' and I'm barely sober  
I'm caught in a love hangover  
Love hangover  
Love hangover  
Love hangover
