## Margot & The Nuclear So and So's

Another day is at end  
Mama says she's tired again  
No one can even begin to tell her  
I hardly know what to say  
But maybe it's better that way  
Is papa were here? I'm sure he'd tell her  
Shannon is gone  
I hope she's drifting out to sea  
She always loved to swim away  
Maybe she'll find an island  
With a shady tree  
Just like the one in our backyard  
Mama tried hard to pretend  
things would get better again  
Somehow she's keeping  
It all inside her  
But finally the tears fill our eyes  
And I know that somewhere tonight  
She knows how much we really miss her
