

# I Could Die for You

## Red Hot Chili Peppers

Something inside the cards  
I know is right  
Don't wanna live  
Somebody else's life This is what I wanna be  
And this is what I give to you  
Because I get it free  
She smiles while I do my time I could die for you  
Oh, this life I choose I'm here to be your  
Only go-between  
To tell you of the sights  
These eyes have seen What I really wanna do  
Is turn it into motion  
Beauty that  
I can't abuse You know that I'd use my senses too  
You can see that it's only everywhere  
I'd take it all and then  
I'd find a way to share Come along and go  
Along with me  
Wander with me, yo  
It's all for free I could die for you  
Whatchu wanna do?  
Oh, this life I choose I could die for you  
Whatchu wanna do?  
Oh, this life I choose Come again and tell me  
Where you wanna go  
What it means to me  
To be with you alone Close the door and  
No one has to know  
How we are Come along and go  
Along with me  
Wander with me, yo  
It's all for free I could die for you  
Whatchu wanna do?  
Oh, this life I choose I could die for you  
Whatchu wanna do?  
Oh, this life I choose Make me wanna say  
I could die for you  
Whatchu wanna do?  
Oh, this life I choose I could die for you

Whatchu wanna do?  
Oh, this life I choose
