

# Nobody Knows (1996)

## Tony Rich Project

I pretend that I'm glad you went away  
But these four walls close in more every day  
And I'm dying inside and nobody knows it but me  
Like a clown I put on a show  
The pain is real even if nobody knows  
And I'm crying inside and nobody knows it but me  
Why didn't I say the things I needed to say  
How could I let my angel get away  
Now my world is just a-tumblin' down  
I can say it so clearly but you're nowhere around  
The night are lonely, the days are so sad  
And I just keep thinkin' about the love that we had  
And I'm missing you and nobody knows it but me  
How blue can I get, you could ask my heart  
Just like a jigsaw puzzle it's been torn all apart  
A million words couldn't say just how I feel  
A million years from now, you know, I'll be loving you still  
The night are lonely, the days are so sad  
And I just keep thinkin' about the love that we had  
And I'm missing you and nobody knows it but me  
The night are lonely, the days are so sad  
And I just keep thinkin' about the love that we had  
And I'm missing you and nobody knows it but me
