Deliver Me

Fastway

Now the ones that see me through
Still can't see my face
You may think she's coming in
To flow is no disgrace
Don't chance everything you've got
Cause nothing cuts you down
They might be all you got
That you can be aroundDeliver me, deliver me
Deliver me from woe
Deliver me, deliver me
I strayed too far from home
Deliver me, deliver me
I've got so far to go
Deliver me from circumstances that I can't control
It's sticky situation
Being down the honey pot
Lick my smile then take it out
Cause you ain't got the lot
Long hot summers on the crawl
Can never feed the flame
Deliver me from all I know
Cause I can feel the painDeliver me, deliver meDeliver me from woe
Deliver me, deliver me
I strayed too far from home
Deliver me, deliver me
I've got so far to go
Deliver me from circumstances that I can't control
The complexities of conscience
My deaf ears and my blind eyes
Are back up in the fast lane
Where the camera never lies
But don't ask me, o solitary
Smile is on my face
Deliverance will bring you here
Deliver you from graceDeliver me, deliver me
Deliver me from woe
Deliver me, deliver me
I strayed too far from home
Deliver me, deliver me

I've got so far to go
Deliver me from circumstances that I can't control
