

Mouth Full of Gold (feat. Birdman)

Gucci Mane

Drummer Boy

It's Gucci, two times, Gucci, Gucci Please pardon me but I'm passin' gas

To my entourage, no gas masks

I'm in my old school with the Georgia tag

With my Georgia ass and my red flag I'm G'd up from the feet up

In my black vans with my feet up

And the blinds down and the beat up

Shorty, bad bitch with the seat up You know me from the old me

On Jump street wit the straight beat screen with the scrape D

I was low key, at HB

Now I'm 3 D, come face me I went toe to toe with the best of 'em

I bust shots at the rest of 'em

Don't test me, no tester

I rape you like Chester I'm a rich ass nigga, you a bitch ass nigga

You a cornball ball ball, so snitch ass nigger

Work to the game feel some to the fame

Run up on me in a ditch quick, nigga I'ma tell you twice, 'cause it's Gucci two times

Fuck your clique and fuck your wife

If you got drama, nigga, you can meet me outside

Get your head bust wide for your old man's pride

 With a mouth full of gold, with a mouth full of gold I put red shoes my black car
 I'm talkin' slick like a rap star
 I'm walkin' slick like a trap star
 Rich young G with gold teeth A triple black cat just crossed my path
 But it's a four door Jaguar
 They put me in this game
 but put you lames back at the snack bar I'm black as hell but I'm rich as well
 Got three dime pieces at the hotel
 I'm goin' hard, they blowin' hard
 I'm strapped up, no body guards I pull your card, total disregard
 I'm goin' dumb but I'm thinkin' smart
 But if you try my squad, I'll hide the body parts
 gotta send a shout out to boulevard Then send a shout out to bank head
 Got to give a salute to Calmiton
 And I pull up in that yellow thing
 Fat pocket like I just been gambling With a honey cake for my grill, shawty
 That's the way that I feel, shawty
 Ice cream on my face n chain
 'Cause that's the life that I live, shawty Rich ass nigga with a mouth full of gold
 Rich ass nigga with a mouth full of gold
 Rich ass nigga with a mouth full of gold
 With a mouth full of gold, with a mouth full of gold Rich ass nigga with a mouth full of gold
 Rich ass nigga with a mouth full of gold
 Rich ass nigga with a mouth full of gold
 With a mouth full of gold, with a mouth full of gold Rich ass nigga with a mouth full of gold
 Rich ass nigga with a mouth full of gold
 Rich ass nigga with a mouth full of gold
 With a mouth full of gold, with a mouth full of gold Rich ass nigga with a mouth full of gold
