I Don't Wanna Break

Scars on 45

If you go
It could change my mind
It'll be alright
Say you'll take your time
And I know
There's no simple way
That I could make you stay
I think we crossed that lineAnd they all just say
Maybe we'll be back someday
It could be way too late
To get back kicking
And then start again
I don't wanna break, don't wanna break
I'll break your heart
(break your heart)
I don't wanna break, don't wanna break
I'll break your heart
(break your heart)Now you say
There's a fear in me
That's ruling all that I see
And everything that you feel
I hope you know
That I am here at your side
Throughout the warning signs
Just a play on my mind
And they all just say
Maybe we'll be back someday
It could be way too late
To get back kicking
And then start againI don't wanna break, don't wanna break
I'll break your heart
(break your heart)
I don't wanna break, don't wanna break
I'll break your heart
(break your heart)Maybe you'll lose your life
Maybe I could change your memory
So long as I can show you why
We go back again and then start againI don't wanna break, don't wanna break
I'll break your heart

(break your heart)
I don't wanna break, don't wanna break
I'll break your heart
(break your heart)
I don't wanna break, don't wanna break
I'll break your heart
