

# Sunday Morning (The Velvet Underground Cover)

James

Sunday morning  
Brings the dawn in  
It's just a restless feeling  
By my side Early dawning  
Sunday morning  
It's all the wasted years  
So close behind Watch out the world's behind you  
There's always someone around you  
Who will call  
It's nothing at all Sunday morning  
And I'm falling  
I've got {a} feeling  
I don't want to know Early dawning  
Sunday morning  
It's all the streets you've crossed  
Not so long ago Watch out the world's behind you  
There's always someone around you  
Who will call  
It's nothing at all Watch out the world's behind you  
There's always someone around you  
Who will call  
It's nothing at all Sunday morning
