

On a Mission (Bee Style)

Ultimate Buzz

Dis is sound of Mc Bee guess wat im on a mission...
kick in da bass drum
give me some high hat
wat about some clappin in da place
ownin out the tempo 1 2 3 go
right about now in da place 2 be ur kickin it down 2 da sound of da Mc bee
1 on time were about 2 take u higher

ROCK

jump 2 da beat
rock 2 da beat
jump 2 da beat
rock 2 da beat
jump 2 da beat
jump2 da beat
rock 2 da beat
u got ta move ur feet
we kickin jumpin pumpin rockin 1 more time da Mc bee gona blow ur mind
stick 2 da bassline
kick 2 da floor
pump that body i like it more
more 2 da beat
and more to da rhyme
now pump dat body 1 more time
1 for da bassline
2 for da floor
3 for da beat ya want some more
come on people get crazy on da dance floor
kickn down wit da hardcore tempo
been abeen a bad boy so wa
kickin it solo
go wit da flow
gonna rush it 2 ya soul
we kickin it down wit da hardcore tempo
been a bad boy

kickin it solo
go wit da flow
gona rush it 2 ya soul
Once again now
Breaking it down with da subway sound
Can you handle da presure for your mind

Rock

Then he says some mad shit make no sense 2 me)
Inside outside up-a-da back
Gota get this party started
more mad ravin)2 da bass to da back 2 da front 2 da north
south posse's in da place
Mc bee's got ur bass (in background)yes
Get up get down everybody get loose
Bee's in da place you no i got 2
sit back relax n time 2 listen
but 2 begin my mission imposible as it may b
continue 2 party 2 the highest degree
n higher than ever before
cause dis unique style we can't ignore
cause its 1 of a kind
gona rock ur mind
make all u party people move ur behind
on da dance floor from left 2 right
gona keep ya on rockin till da broad day
so(blaa) cause im number1
when i rock wit da mic
(more little bits i don't no)theres alot of competition
Mc Bee im on a mission
im on a mission(repeated coupla times)
breakin it down 1 more time
rockin it 2 da core check
are we ready
yes!!!

Im not a gynecologist, but ill have a good look at it for you!!
