I'm Gonna Be Ready

Yolanda Adams

I say a prayer every night
Whatever I do, I'll get it right
With no regret, no guilt or shame this time
No not this time
Once I surrender, I won't dare look back
'Cause if I do, I'll get off track
Move ahead in faith, and patiently await your answer
What will it be
Sight beyond what I see
You know what's best for me
Prepare my mind, prepare my heart
For whatever comes, I'm gone' be ready
Strength to pass any test
I feel like I'm so blessed
With you in control, I can't go wrong
'Cause I always know, I'm gonna be ready
I was free to do, what I wanted to
Lost everything, but I still had you
You showed me your grace, now my life's renewed
And I thank you, yes I thank you
So I'll tell anyone who'll listen, I'll testify
About how good you were to me, when so call friends passed me by
The fact that you would show somebody so broke down
So much mercy
Sight beyond what I see
(Beyond what I see)
You know what's best for me
(I know you know what's best for me)
Prepare my mind, prepare my heart
(Prepare my mind and prepare my heart)
For whatever comes, I'm gone' be ready
(For whatever comes, I'm gonna be ready)
Strength to pass any test
(Give me the strength to pass any test)

I feel like I'm so blessed
(I know that I'm so blessed)
With you in control, I can't go wrong
(Your in control Lord, can't go wrong no)

'Cause I always know, I'm gonna be ready
('Cause I know that I'm gonna be ready)
So use me as you will, I'll pay the price
'Cause you made the ultimate sacrifice
It's all 'cause of you, that I even have life
And I'll give my love, as a tribute, to how great you are
Sight beyond what I see
(Sight beyond what I see)
You know what's best for me
(You know, you know what's best for me ohh ohh)
Prepare my mind, prepare my heart
(Prepare my heart and prepare my mind)
For whatever comes, I'm gone' be ready
(For whatever comes, I'm gonna be ready yeah yeah yeah)
Strength to pass any test
(I wanna pass this test)
I feel like I'm so blessed
(I know that I am, know that I am, know that I'm so blessed)
With you in control, I can't go wrong
(Your in control of my life Lord, I can't go wrong no)
'Cause I always know, I'm gonna be ready
(And I know it I'm gonna be I'm gonna be ready, yeah yeah)
I'm gonna be ready
(This time I'm gonna be)
I'm gonna be ready
('Cause you live deep inside of me)
I'm gonna be ready
(And I know it's in your will for me to be ready, yeah yeah yeah uhh)
I'm gonna be ready
(I'm gonna be ready)
