

# Good Morning Heartache (feat. Lil Mo)

## Ol' Dirty Bastard

Good morning heartache  
You are a gloomy sight  
Morning heartache  
Thought we said goodbye last night  
I tossed and turned until it seemed you had gone  
But here you are with the dawn I wish I'd forget you  
You're here to stay  
It seems I met you  
When my love went away  
Now every day I start by saying to you  
"Morning heartache, what's new?" Stop haunting me now  
Can't shake you, no how  
Just leave me alone  
I've got those Monday blues  
Straight through Sunday blues Good morning heartache  
Here we go again  
Good morning heartache  
You're the one who knew me well  
Might as well get used to you hangin' around  
Morning heartache, sit down Stop haunting me now  
Can't shake you, no how  
Just leave me alone  
I've got those Monday blues  
Straight through Sunday blues Morning heartache  
Here we go again  
Good morning heartache  
You're the one who knew me well  
Might as well get used to you hangin' around  
Good morning heartache, sit down
