

# You Are Going to Hate This

## The Frights

My head shakes when I sleep too long and my mom cries when I sing this song

why can't I be like you

You say things that don't make much sense like the drugs you did or the money you spent why can't I be so cool

My heart breaks at the drop of a dime and I freak out when I lose my mind

why can't I be like you

I need you and I need to fuck but I talked to you and you don't say much

why can't I keep my cool Black out and I need to sit and I wrote this but it don't mean shit

why can't I be like you

I miss you and I let you down and your voice is the perfect sound

why can't I be so cool
