

Hold On

Yngwie Malmsteen

Look at me
See the love that you're missing
Can't you see
That I'll always be there, always be there You can't run
You can't hide from the feeling tonight
Damage done
I guess love isn't fair Sometimes I wonder who you are
So close but we've gone too far How long can I hold on
Till you say goodbye, baby You're gone and it's so wrong
And now my heart cries for you, girl
My heart cries for you Lonely days
Fill my nights with such sorrow
Shades of grey
Turn into blue tomorrows Sometimes I wonder where you are, where are you
So close but your eyes are so far How long can I hold on
Till you say goodbye, baby You're gone, I can't go on
And now my heart cries for you, girl
My heart cries for you
Yeah, yeah How long can I hold on
Till you say goodbye, baby You're gone and it's so wrong
And now my heart cries for you How long can I hold on
Till you say goodbye, baby How long, hold on
How long, so long My heart cries for you
(How long, hold on)
My heart, I hold on, baby, oh
(How long, hold on)
