In Contempt

Quo Vadis

Committing To Sound
What Words Cannot Express
What Lies Connot Divert
And Rip Into ShredsLiving Snapshots Of Events
A Violent Maze Of Lies
Like Shadows Standing StillA Testimony Of Accusations
Carving Out A Frozen Landscape
Filled With Twisted Form,
Of Faceless Cowards
And Frozen Faces
Cowards!
And Frozen FacesThe Arrogant And Hollow Crumble
Beneath The Boots Of Truth
Like Silence Standing StillA Testimony Of Accusations
Carving Out A Frozen Landscape
Filled With Twisted Form,
Of Faceless Cowards
And Frozen Faces
Cowards!
And Frozen FacesA Crumbling Image, An Empty Shell
Lies Of Which Sustain
Like Statues StandingCommitting To Sound
What Words Will Not Express
What Lies Cannot Divert,
And Rip Into ShredsArguments Ablaze!
The Stress Turns The minds Alive
Alive!
