

Midnight Romeo

Push Play

Meet me at my door
By the end of the night
You'll be screaming for more, more, more of me
Tonight's a big night, so let's make history
My lips touch your lips
My hands is on your hips
What's it gonna take for you
To give me my goodnight kiss?
Oh whoa, my heart is beating fast
But my hands are moving slow
Oh whoa, feels so right
You just cant say no
Late night gonna hit the town
Gonna take you out
Gonna make you go whoa
Midnight Romeo
Show me yours and I'll show you mine
Gonna make you sweat
Gonna feel you head to toe
You know I'm your midnight Romeo
I'll be your Dr. Jekel and you be my Mr. Hyde
The best of both worlds when you get inside
My place, place, place with me
You be the lock, I'll be the key
Tonight's about to win
Sell it, baby, or we more than friends
Tonight your deal is free
What's in it for me?
Oh whoa, my heart is beating fast
But my hands are moving slow
Oh whoa, feels so right
You just can't say no
Late night gonna hit the town

Gonna take you out
Gonna make you go whoa
Midnight Romeo
Show me yours and I'll show you mine
Gonna make you sweat

Gonna feel it head to toe
You know I'm your midnight Romeo
Now it's time I'll turn the lights down low
Show me yours and I'll show you mine
I'm gonna make you sweat
Gonna be your Romeo
Take my hand, it's time to lose control, whoa
I'm your midnight Romeo
Late night gonna hit the town
Gonna take you out
Gonna make you go whoa
Late night gonna hit the town
Gonna take you out
Gonna make you go whoa
Midnight Romeo
Show me yours and I'll show you mine
Gonna make you sweat
Gonna feel you head to toe
You know I'm your midnight Romeo
Late night gonna hit the town
Gonna take you out
Gonna make you go whoa
Midnight Romeo
Show me yours and I'll show you mine
Gonna make you sweat
Gonna feel you head to toe
You know I'm your midnight Romeo
