Sweet Dreams

BeyoncÂŽ

Turn the lights on

Every night I rush to my bed
With hopes that maybe I'll get a chance to see you when I close my eyes
I'm going out of my head
Lost in a fairytale; can you hold my hands and be my guide

Clouds filled with stars cover your skies
And I hope it rains
You're the perfect lullaby
What kinda dream is this?

[Chorus]
You can be a sweet dream or a beautiful nightmare
Either way I don't wanna wake up from you (turn the lights on)
Sweet dream or a beautiful nightmare
Somebody, pinch me--your love's too good to be true (turn the lights on)
My guilty pleasure--I ain't going nowhere
Baby, 'long as you're here, I'll be floating on air 'cause you're my
You can be a sweet dream or a beautiful nightmare
Either way I don't wanna wake up from you (turn the lights on)

I mention you when I say my prayers
I wrap you around all of my thoughts
Boy, you're my temporary high
I wish that when I wake up you're there
To wrap your arms around me for real
And tell me you'll stay by my side

Clouds filled with stars cover the skies
And I hope it rains; you're the perfect lullaby
What kinda dream is this?

[Chorus]

Tattoo your name across my heart
So it will remain
Not even death can make us part
What kind of dream is this?

[Chorus]

Either way I don't wanna wake up from you
