

# Sweet Dreams

Beyoncé

Turn the lights on

Every night I rush to my bed  
With hopes that maybe I'll get a chance to see you when I close my eyes  
I'm going out of my head  
Lost in a fairytale; can you hold my hands and be my guide

Clouds filled with stars cover your skies  
And I hope it rains  
You're the perfect lullaby  
What kinda dream is this?

[Chorus]

You can be a sweet dream or a beautiful nightmare  
Either way I don't wanna wake up from you (turn the lights on)  
Sweet dream or a beautiful nightmare  
Somebody, pinch me--your love's too good to be true (turn the lights on)  
My guilty pleasure--I ain't going nowhere  
Baby, 'long as you're here, I'll be floating on air 'cause you're my  
You can be a sweet dream or a beautiful nightmare  
Either way I don't wanna wake up from you (turn the lights on)

I mention you when I say my prayers  
I wrap you around all of my thoughts  
Boy, you're my temporary high  
I wish that when I wake up you're there  
To wrap your arms around me for real  
And tell me you'll stay by my side

Clouds filled with stars cover the skies  
And I hope it rains; you're the perfect lullaby  
What kinda dream is this?

[Chorus]

Tattoo your name across my heart  
So it will remain  
Not even death can make us part  
What kind of dream is this?

[Chorus]

Either way I don't wanna wake up from you
