

# Dark Is the Night for All

[A-Ha](#)

It's time we said goodbye, time now to decide  
Oh, don't you feel so small? Dark is the night for all  
It's time we moved out west, this time will be the best  
And when the evenings fall, dark is the night for all  
It's time, yeah to break free, it's time to pull away  
For you and for me, it's time, yeah to break free  
We need to celebrate the mystery  
It's time we said goodbye, time for you and I  
Oh, don't you feel so small? Dark is the night for all
