# Perfume

## Postino

[Chris Brown]I know you want me girl
You think about me in your mind, am I right? Yeah
I think about you too
I feel it right here deep inside, it's all right yeah
And you tellin' me things that you wanna do
And I got plans to do things too
You know I wonder why you took so long and made me have to wait
Tell me where we start
[Rich Girl]Let's sit down i need to kill time
Then sweep me off my feet after some while
Slowly please undress me
I ain't even playing when I say
We starting now
[Chris Brown]Rollin round, up and down, up in this bed
I don't want you to forget
[Rich Girl]Hope you remember my perfume, on you
After I
[Chris Brown]Sex you down
One o'clock, two o'clock, three o'clock, four
Hope you come back for more
[Rich Girl]Will you remember my perfume, on you?
After I
[Chris Brown]Sex you down
Tonight I'm pretty much ready
[Chris Brown and Rich Girl]To do what you want me to
Do what you want me to
Tonight I'm pretty much ready
To do what you want me to
Do what you want me to yeah
[Chris Brown]In the middle of the night when I call your phone
I love it when you tell me "Come get it I'm alone"
'Cause you know I can go all night
Before I leave I'm a give you bragging rights
[Rich Girl]Let's sit down and need to kill time
Sweep me off my feet after some while
Slowly please undress me
I ain't even playing when I say
We starting now

[Chris Brown]Rollin round, Up and down, up in this bed
I don't want you to forget
[Rich Girl]Hope you remember my perfume, on you
After I
[Chris Brown]Sex you down
One o'clock, two o'clock, three o'clock, four
Hope you come back for more
[Rich Girl]Will you remember my perfume, on you?
After I
[Chris Brown]Sex you down
We can do it all over the house
It sevedants from what we did on the couch
[Rich Girl]It's on the counters in the kitchen
My love is what you missing
On every pillow when its time to lay it down
[Chris Brown and Rich Girl]Down on your body when you wake up
[Rich Girl]So is my lip gloss and my makeup
You can't say
[Chris Brown]You cannot wait
[Rich Girl]Don't wanna escape
[Chris Brown and Rich Girl]Every time we do
[Chris Brown]Rollin round, Up and down, up in this bed
I don't want you to forget
[Rich Girl]Hope you remember my perfume, on you
After I
[Chris Brown]Sex you down
One o'clock, two o'clock, three o'clock, four
Hope you come back for more
[Rich Girl]Will you remember my perfume, on you?
After I
[Chris Brown]Sex you down
