Whatever Turns You On

Pale

Whatever turns you on, turns me on, hey
Whatever turns you on, turns me on, heyWell, who else would I be if I lost this dark side of me
You know damn well, you'll never change me
I wouldn't be any good
If you could take away all this pain, I really do think you shouldWell, if you keep it strong and I'll keep it up, yeah, yeah
Whatever turns you on, hey, turns you on
If you set it straight then I will not hesitate
Whatever turns you on, hey, turns me onWhatever turns you on, turns me on, hey
Whatever turns you on, turns me on, heySo you've been walking around in a daze
For days and days and days
Ever since you kicked me out of your bed
You were left in some kind of hazeHow can you feel how you feel
And feel that you're feeling good
I know, you know what I'm saying
You know, I know we can keep it up all nightAnd if you keep it strong and I'll keep it up, yeah, yeah
Whatever turns you on, hey, turns you on
If you set it straight then I will not hesitate
Whatever turns you on, hey, turns me onWhatever turns you on, turns me on, hey
Whatever turns you on, turns me on, hey
Whatever turns you on, turns me on, heySo you've been walking around in a daze
For days and days and days
Ever since you kicked me out of your bed
You were left in some kind of hazeHow can you feel how you feel
And feel that you're feeling goodAnd if you keep it strong and I'll keep it up, yeah, yeah
Whatever turns you on, hey, turns you on
If you set it straight then I will not hesitate
Whatever turns you on, hey, turns me onWhatever turns you on, turns me on, hey
Whatever turns you on, turns me on, hey
Whatever turns you on, turns me on, hey
Whatever turns you on, turns me on, oh yeah
