

# Hey Hey We're The Junkies

## Chumbawamba

Good evening, topping nightcast  
A possible link between murder and music  
Hey, hey, we're the Junkies  
Hey, hey, we're the Junkies  
Sticky pages in Hello, with Hopper as Nero on Rome  
See the social big guns going bang, bang, bang  
Hey, hey, we're the Junkies  
Hey, hey, we're the Junkies  
Hey, hey, we're the Junkies  
No X-Mas for Junkies  
Who put the 'U'?  
Who put the 'U'?  
Who put the 'U' in the Wamba?  
So fashionably blue  
Crime never pays, heroes are handsome  
So fashionably blue  
Pretty children are popular, ugly children cynical  
So fashionably blue  
Mothers never work, single women always do  
So fashionably blue  
Politics doesn't exist, automobiles screech when they come to a stop  
So fashionably blue  
All problems are solved in slightly less than half an hour
