## No More

## **Neil Young**

Livin' on the edge of night
You know the sun won't go down slow
You don't know which drug is right
Can't decide which way you wanna go

I feel the way you feel

'Cause not so long ago

It had a hold on me

I couldn't let it go

It wouldn't set me free

It wouldn't set me free

No more, no more, no more. Seemed like the easy thing

To let it go for one more day

Like singin' the same old song

And twistin' the words

In a different way

Where did the magic go

I searched high and low

I can't find it no more

I can't get it back

I can't find it no more

I can't find it no more

No more, no more, no more. Searchin' for quality

Havin' to have the very best

Now scroungin' for quantity

Never havin' time

To do the test

That's how the story goes

Can't put it down

Till the last page

I can't put it down

I can't put it down

I can't put it down.
