Pink Slip

JFA

Pink slip, shut out cold
why she left was never told
pink slip 86'd
quite forgotten and never missedwhy'd you love me
why'd you leave me
why'd you use me
and confuse me
I've got to go
you don't want me
you don't want me
you don't want me
you don't want me
I've got to go
pink slip, out the door
can't look back, can't cry anymore
pink slip, just the same
I'll never forget what's her name
pink slip, out the door
can't look back, can't cry anymore
pink slip, 86'd
quite forgotten and never missed
punk slip burnt again
there she goes with my best friend
pink slip, poor guy
his balls will be busted
and he won't know why
punk slip, shut out cold
why she left was never told
pink slip, 86'd
quite forgotten and never missed
