Together

Chrisette Michele

We pray together
We lay together
We were work together, ah baby
We both come first
But together

But never I
Oh I never ever I
I never ever never wanna ever
Forget to be in love with you
In love with you
I won't forget to be in love with you, boy

We fight, we flirt, we kiss, we cuss
But when it's done, baby
I'm still in love with you, yeah
I promise
I won't forget to be in love with you

We fight together, ah yeah
One day we believe, believe
We'll be making love together
We cry together
Side by side
