

# Monster

## Mumford & Sons

So we were up  
Throwin' dice in the dark  
I saw you late, last night, come to harm  
I saw you dance in the devil's arms  
The night kept coming  
Really nothing I could do  
Eyes with a fire, unquenched, by peace  
Curse the beauty, curse the queen  
So we come  
To a place of no return  
Yours is the face, that makes my body burn  
And here is the name that our sons will learn  
Curse the beauty, curse the queen  
Curse the beauty, leave me  
So when you're weak  
When you are on your knees  
I'll do my best, with the time, that's left  
Sworn with your spirit, you're fully fleshed  
So fuck your dreams  
And don't you pick at our seams  
I'll turn into a monster for you, If you pay me enough  
None of this counts, if you do, cloud up  
So we come  
To a place of no return  
Yours is the face, which makes my body burn  
And here is the name, that our sons will learn  
Curse the beauty, curse the queen  
Curse the beauty, leave me
