Hollow Bones Pt. 2

Rival Sons

Choose your lord,
choose that name
Choose your saviour,
choose your saviourWho's gonna save,
who's gonna save you
Choose your lord, choose your lordMight be the creator
might be Jesus
You know it might be Krishna
no more saviour,
And no religion
that I cannot makeI know that God sees you
just the same
When you're gone
you're hollow bones
When you're gone
Long gone
you're hollow bonesWhen you're gone
you're hollow bones
You're hollow bonesWhen you're down
when you're weak
On your knees
and you cannot speak
Who's gonna save you
who's gonna save
Oh I believe
said I believe
God gonna save me
lord gonna rescue
Cause I believe
cause I believe
There's a different day
for my lord
You gotta do your best
to find your placeAnd with my love
holy love
Holy love,
holy loveWhen you're gone
you're hollow bones
When you're gone

long gone
you're hollow bonesWhen you're gone
you're hollow bones
You're hooooooooooh
You're hollow bonesCreator of the children,
creator of the man
Creator of the woman,
that mighty womanFor my love
for my love
For my saviour
who's gonna save me
Follow my creator
for my love
In my love
from my love
holy loveA-Wakan Tanka
Hare Krishna
'said hallelujahHoly love
I said A-Wakan TankaFor my love for my love
For my love for my love
For my love for my love
For my loveFor my saviour
for my saviour
The lord my creator,
who I'll never name
to my ownSaid I'm gonna keep
In my heart in my home
In my love not for my ownSaid I'm gonna share it
with a heavy load
And I'm-a gonna show it
not the only one
And I'm a man of god
said I'm a man of godI take care of children
I take care of woman
Cause I respect that woman
respect that woman
And I teach my children
to do the same
To my dying breath
In god's name
In my creator's nameOh my lordA-Wakan Tanka
And hallelujah
Now Hare Krishna
Now Hare HareFor my love for my love
For my love for my love

For my love for my love
For my love!!!
