Addicted To Love (with Brian Adams Live)

Tina Turner

The lights are on but you're not home
Your mind is not your own
Your body sweats, your body shakes
Another kiss is what it takes
You can't eat, you can't sleep
There's no doubt you're in deep
Your throat is tight, you can't breathe
Another kiss is all you needYou like to think that you're immune to the stuff, oh yeah
It's closer to the truth, you know
You're gonna have to face it
You might as well face it, you're addicted to loveYou see the signs but you can't read
You're running at a different speed
Your heart beats at double time
Another kiss and you'll be mine
One-track mind, you can't be saved
Another young love is all you crave
And if the sun left you
You don't mind if you doYou like to think that you're immune to the stuff oh yeah
It's closer to the truth, you see
You're gonna have to face it
You're gonna have to face that you're addicted to love
