

She Got Her Own (Feat. Ne-Yo & Fabolous)

Jamie Foxx

(Remix) I love her 'cause she got her own
She don't need mine, she say leave mine alone
There ain't nothing that's more sexy, then a girl
That want but don't need me
Young independent (yea she work hard)
But you can't tell from the way that she walk
She don't slow down, 'cause she ain't got time
To be complaining, shawty goin' shine
She don't expect nothing from no guy
She plays aggressive, but she still shy
But you never know her softer side,
By looking in her eyes
Knowing she can do for herself
Makes me wanna give her my wealth
Only kinda girl I want,
Independent queen,
Workin' for her throne I love her 'cause she got her own, she got her own
I love her 'cause she got her own
She got her own (I love it when she say)
Its cool I got it, I got it, I got it
(I love it when she say) it's cool I got it, I got it, I got it (Remix) I love her 'cause she got her own
She don't need mine, she say leave mine alone
There ain't nothing that's more sexy,
Then a girl that want but don't need me
Lovely face, nice thick thighs,
Plus she got drive that matches my drive
Sexy thing, she's Ms. Fly
All the while paying her bills on time
She don't look at me like captain save 'em
Gold digging, no she don't do that
Now she look at me like inspiration,
She wanna be complimenting my swag
And everything she got, she work for it,
Good life made for it, she take pride in saying
That she paid for it, only kind of girl I want
Independent queen, working for her throne I love her 'cause she got her own, she got her own
I love her 'cause she got her own
She got her own (I love it when she say)
Its cool I got it, I got it, I got it

(I love it when she say) it's cool I got it, I got it, I got it (Remix)Don't make me laugh boo, never did that bad too,

Make you even have to but even if I had to
Ask my better half to, you'd be more than glad to
When I do that math boo, you always try and add two
I need someone who ride for me
Not someone who ride for free
She say boy I don't just ride
She'll pull up beside of me, I had to ask her
What she doing in that caddy
She say cause you my baby
I'll be stunting like my daddy
And there's not many, who catch my eye
We both wearin' Gucci, she match my fly
And that's why I supposed to keep her closer
Right by my side toaster in the holster
And now she went Loso case you didn't know so
You can save your money dog, shawty getting dough so
What she care what his cost, you can call her miss boss
I got it backwards, Kriss Kross shawty got her ownNow all my ladies that don't need a man for nothing,
'Cept some of that good lovin' let me here you say oh oh oh ohAnd all my fellas know you need to stop the
frontin'
if you love an independent woman let me hear you say oh oh oh ohI love her cause she got her own (got her
own)
I love her cause she got her own (she got her own)
I love it when she say It's cool I got it, I got it, I got it
I love it when she say uh uh, I got it, I got it, I got it
