

# Stop This Song (Love Sick Melody)

## Paramore

You say the sweetest things and I  
Can't keep my heart from singing along to the sound of your song  
My stupid feet keep moving to this 4/4 beat, I'm in time with you  
Whoa, to this 4/4 beat I would die for you (die for you)(Someone stop this)  
I've gone to far to come back from here, but you don't have a clue  
You don't know what you do to me Won't someone stop this song, so I won't sing along  
Someone stop this song, so I won't sing I never let love in so I could keep my heart from hurting  
The longer that I live with this idea,  
The more I sink into this 4/4 beat  
I'm in time with you  
Whoa, to this 4/4 beat I would die for you (stop this song) I've gone to far to come back from here,  
But you don't have a clue  
You don't know what you do to me  
I've come to far to get over you,  
And you don't have a clue  
You don't know what you do to me Can't someone stop this song, so I won't sing along  
Someone stop this song, so I won't sing Your lovesick melody is gonna get the best of me tonight  
But you won't get to me if I don't sing It creeps in like a spider  
Can't be killed, although I try and try to  
Well, don't you see I'm falling?  
Don't wanna love you, but I do (Lovesick melody)  
Can someone stop this song, so I won't sing along?  
(Lovesick melody)  
Can someone stop this song, so I won't sing?  
Your lovesick melody is gonna get the best of me tonight  
But you won't get to me, no  
You won't get to me 'cause I won't sing
