Maze

Phish

The overhead view is of me in a maze

And you see what I'm hunting a few steps awayBut I take a wrong turn and I'm on the wrong path And the people all watching enjoy a good laughEmbarrassed with failure, I try to reverse The course that my tread had already traversedSo doing the trauma engulfing my dream Invaded through what was an unguarded seamThe torrent of helplessness swept me away To the cavern of shame and the hall of dismayInside me a voice was repeating the phrase 'You lost it, you'll never get out of this maze'You'll never get out of this maze

You'll never get out of this maze You'll never get out of this maze

You'll never get out of this maze

You'll never get out of this maze

You'll never get out of this mazeYou'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze) You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)

You'll never get out of this maze

(You'll never get out of this maze)
