

# World in Motion

## New Order

Express yourself  
Create the space  
You know you can win  
Don't give up the chaseBeat the man  
Take him on  
You never give up  
Its one on oneExpress yourself  
Its one on one  
Express yourself  
Its one on one  
Express yourself  
You can't be wrong  
When somethings good  
Its never goneLoves got the world in motion  
And I know what we can do  
Loves got the world in motion  
And I can't believe its trueNow is the time  
Let everyone see  
You never give up  
that's how it should be  
Don't get caught  
Make your own play  
Express yourself  
Don't give it awayExpress yourself  
Its one on one  
Express yourself  
Its one on one  
Express yourself  
You can't be wrong  
When somethings good  
Its never wrongLoves got the world in motion  
And I know what we can do  
Loves got the world in motion  
And I can't believe its trueLoves got the world in motion  
And I know what we can do  
Loves got the world in motion  
And I can't believe its trueYou've got to hold and give  
But do it at the right time  
You can be slow or fast

But you must get to the line  
They'll always hit you and hurt you  
Defend and attack  
there's only one way to beat them  
Get round the back  
Catch me if you can  
'cause I'm the England man  
And what you're looking at  
Is the master plan  
We ain't no hooligans  
This ain't a football song  
Three lions on my chest  
I know we can't go wrongWe're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci its one one oneWe're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci its one one oneWe're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci its one one oneWe're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci its one one one
