

# If I Ain't Got You (live)

## Maroon 5

Yeah...oh

Some people live for the fortune  
Some people live for the fame  
Some people live for the power, yeah  
Some people live just to play the game

Some people think that the physical things define what's within  
And I have been there before and that life's a bore  
So full of the superficial

Some people want it all  
But I don't want nothing at all  
If it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you

Some people search for a fountain  
That promises forever young  
Some people need three dozen roses  
And that's the only way to prove you love them, oh

Hand me the world on a silver platter  
And what good would it be, oh  
With no one to share, with no one who truly cares for me?

Some people want it all  
But I don't want nothing at all  
If it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you-you-you

Some people want it all  
But I don't want nothing at all

If it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you

If I ain't got you with me baby  
There ain't nothing in this whole wide world, doesn't mean a thing  
If I ain't got you with me baby

[Spoken:]  
We love ya Alicia Keys.
