Let It Be Christmas

Alan Jackson

Let it be Christmas everywhere
In the hearts of all people both near and afar
Christmas everywhere
Feel the love of the season wherever you are
On the small country roads lined with green mistletoe
Big city streets where a thousand lights glowLet it be Christmas everywhere
Let heavenly music fill the air
Let every heart sing let every bell ring
The story of hope and joy and peaceAnd let it be Christmas everywhere
Let heavenly music fill the air
Let anger and fear and hate disappear
Let there be love that lasts through the year
And let it be Christmas, Christmas everywhereLet it be Christmas everywhere
With the gold and the silver, the green and the red
Christmas everywhere
In the smiles of all children asleep in their beds
In the eyes of young babies their first fallen snow
Elderlys memories that never grow oldLet it be Christmas everywhere
Let heavenly music fill the air
Let every heart sing let every bell ring
The story of hope and joy and peaceAnd let it be Christmas everywhere
Let heavenly music fill the air
Let anger and fear and hate disappear
Let there be love that lasts through the year
And let it be Christmas, Christmas everywhereLet it be Christmas everywhere
In the songs that we sing and the gifts that we bring
Christmas everywhere
In what this day means and what we believe
From the sandy white beaches where blue water rolls
Snow covered mountains and valleys belowLet it be Christmas everywhere
Let heavenly music fill the air
Let every heart sing let every bell ring
The story of hope and joy and peaceAnd let it be Christmas everywhere
Let heavenly music fill the air
Let anger and fear and hate disappear
Let there be love that lasts through the year
And let it be Christmas, Christmas everywhereChristmas everywhere
Christmas everywhere
