Oh my God!
It really is beautiful
Oh my God!
It really is beautiful to me as well

I saw gold
Silver and jewellery
Oh my God!
It really is beautiful to me as well

I got to get that deal
I got to cop that feel
I got to keep not feeling alone
I got to get

I got to get that deal
I got to cop that feel
I got to keep not feeling alone
I got to get

Oh my God!
Infinite luxury
Oh my God!
Take me away from the world that I'm on
No regrets!
All opportunity
Oh my God!
It really is beautiful to me as well

I got to get that deal
I got to cop that feel
I got to keep not feeling alone
I got to get

I got to get that deal
I got to cop that feel
I got to keep not feeling alone
I got to get

I got to get that deal

I got to get that deal

I got to get that deal

I got to get

I got to get that deal

I got to cop that feel

I got to keep not feeling alone

I got to get

I got to get that deal

I got to cop that feel

I got to keep not feeling alone

I got to get

Oh my God!

Oh my God!

Oh my God!

Oh my God!

Oh my God!

Oh my God!

Oh my God!

Oh my God!

Oh my God!

Oh my God!

Oh my God!

Oh my God!
