When I See You Smile

Clay Aiken

Sometimes I wonder, how I'd ever make it through
Through this world without having in you
I just wouldn't have a clueAnd sometimes it seems like this world's closing in on me
There's no way of breaking free
And then I see you reach for meSometimes I wanna give up, wanna give in
I wanna quit the fight
The one look at you baby can make everything alright
Make everything alrightWhen I see you smile, I can face the world
Oh, you know I can do anything
When I see you smile, I see a ray of light
Oh, I see it shining right through the rainWhen I see you smile
Baby, when I see you smile at meBaby, there's nothing in this world that could ever do
What the touch of your hands can do
It's like nothing that I ever knewAnd when the rain is falling, I don't feel it
'Cause you're here with me
And one look at you baby, it's all I'll ever need
Is all I'll ever needWhen I see you smile, I can face the world
Oh, you know I can do anything
When I see you smile, I see a ray of light
Oh, I see it shining right through the rainWhen I see you smile baby
Baby, when I see you smile at meSometimes I wanna give up, wanna give in
I wanna quit the fight
Then one look at you baby can make everything alright
Make everything alrightAlrightWhen I see you smile, I can face the world
Oh, you know I can do anything
When I see you smile, I see a ray of light
Oh, I see it shining right through the rainWhen I see you smile, I can face the world
Oh, you know I can do anything
When I see you smile
Baby, when I see you smile at me
